After a couple of years of mediocre service from other brokers, I tried Lifepoint. They were extremely attentive and supportive of our company's needs. They saved us over £60K! Their care didn't end with the deal. The whole team continues to support the company and employees directive with quick, kind service. Can't recommend more!

What is Shmeichel?

We are a group of dedicated volunteers available to cheer up men, women and children.

Some of our Shmeichel volunteers can also play an instrument and we love spreading smiles and music (not to mention the gifts and treats!) wherever we go!

Where are we based?

Shmeichel reaches all around London - from hospitals to care homes, apartments to old age homes and anything in between to brighten up people's days.

Who can we support?

If you know of someone homebound, admitted to hospital, a child unwell, an elderly family member or neighbour who could do with some company and cheering up - REACH OUT TO US!

Why does Shmeichel operate?

People are often lonely in hospital or live far from friends and family. Families are so comforted to know that their loved ones have received a boost of joy in their otherwise long bleak day. We step in to cheer people up and bring a good smile!

How can we be of service to YOU?

Shmeichel has toys, games and gifts for children who are in hospital and patients who are bed bound. We distribute chocolate and treats for hospital and care home staff. We also have ipads and videos available to lend or rent.

Be in touch today to join our amazing group of volunteers or to request a visit from our dedicated team...call/email
