Day Care & Supported Living
for special young men

22

Years of Care You Can Trust.

Ability North London was founded in 2004 by a mother of a special son who couldn't find what he deserved. For 22 years, they've been doing the same thing. Building full, meaningful lives for special young men. No shortcuts. No profit motives. No fluff. Just a carefully crafted day where every detail exists because it's good for the boys. What you're about to see isn't a special brochure. It's a Tuesday. It's every day.

Day care: Mon-Thu 9am-7pm, Fri 9am-1pm

Farming

Every Monday he can't wait to leave.

Not because he wants to go home. Because the farm is waiting. Hay to move, animals to feed, real work under an open sky. At Ability, we noticed a long time ago that some boys come alive outdoors. So we made sure outdoors was part of every week.

Est. 2004 · Crafted over 22 years.

Shacharis in Shul

Someone at shul asked after him last week.

Every morning, Chevra Shas on Elm Park Avenue. Same minyan, same faces, real connections. No shortcuts on that either. Shacharis at Ability is the real thing. The day doesn't start until it's done properly.

There's room here for everything you're holding.

www.miriambloch.com

A therapist-led group offering a structured space to slow down, reflect, and explore emotional and relational patterns together.

We carry, juggle, and hold so much, yet rarely pause and process our feelings and experiences with others. Join an intimate group of women for eight 90-minute sessions in fully confidential space, guided to support depth and safety. We'll deepen self-awareness and notice how we connect with others in real time – particularly around stress, relationships, identity, and overwhelm.

When they
go quiet...

... we
listen

They don't always have the words, but they feel it.

When things fall silent at home, it can mean a family needs help.

At the Jewish Family Centre, we listen for what families struggle to say.

We hear them and help with counselling, practical support, and people who genuinely care.

So the silence starts to lift, and children can be themselves again.

If your family is
struggling in silence,
we're here to help.

Kollel Beis Aharon, founded over twenty years ago by Dayan Chanoch Ehrentreu זצ"ל, is a flourishing מקום תורה in the heart of Edgware. Its אברכים are עמל בתורה בעומק העיון throughout the day, while the כולל ערב and Shabbos learning keep the אור התורה burning through the evenings and throughout the week.

The recently enlarged בית המדרש, with capacity for over 150, is alive year-round with קול התורה. Countless לומדי תורה of all ages, and schoolboys alike, are drawn to learn in the Kollel ביהמ"ד, where the love and enthusiasm for התורה are deeply felt, creating a warm and uplifting atmosphere of growth and inspiration.

Dayan Ehrentreu זצ"ל, the visionary founder and guiding light from the very beginning, was the heart and soul of Kollel Beis Aharon. Through his devoted leadership, the Kollel grew into a true beacon for North West London, a vibrant source of Torah whose impact extends far beyond its walls, with alumni serving in many מוסדות התורה וחינוך. His warmth, wisdom and fatherly care were felt by all, shaping generations of בני תורה. That presence is deeply missed each day. We honour his memory by continuing to build upon the extraordinary legacy he left behind, ensuring that his vision continues to inspire and illuminate for generations to come.

Ivor Smith ז"ל, the devoted lifelong friend of the Kollel, is sorely and deeply missed. His warmth, generosity and unwavering belief in the power of Torah left an enduring mark on all who knew him. Today, the Kollel proudly bears the name 'יצחק ידן' in his memory, a lasting tribute to the love, dedication and commitment he gave so generously. May the continued growth of the Kollel through this campaign bring an עליה לנשמה הטהורה.
