AWARENESS SAVES LIVES.

What is this awareness project all about?

ACS is launching an awareness program with the hope of spreading vital information in a sensitive way to our community so that we know when and where to seek help.

We will be:

- Hosting bi-annual awareness events on a range of topics
- Providing free specialist appointments for individuals who have concerns following the awareness events.
- Producing a range of informative leaflets on various types of cancers that will be available at your local doctors' surgeries.

We are here to empower you with knowledge of the early signs and symptoms, alert you to the risk factors, and ensure that you are provided with the correct information and support. **Remember**, when it comes to your body, you're in charge. If you spot something unusual, don't

ignore it. Speak to your doctor, even if it's something you've mentioned before. In most cases, it will not be cancer, but if it is, finding it early makes a big difference.

Why is awareness so important?

Cancer awareness is key to early detection.

Unfortunately, cancer is becoming more prevalent. One factor consistently shown to be associated with late diagnosis and treatment is a delay in seeking help for cancer-like symptoms.

Several reasons contribute to this delay, such as fear, denial, lack of information about cancer, and financial considerations.

By spreading awareness, we hope to encourage people to go to the doctor earlier, thereby saving lives. The benefits of early detection are huge. Spotting cancer symptoms early leads to higher successful treatment outcomes and greatly increases the chances of a complete recovery, iy'H.

Kollel Beis Aharon, Edgware,

Is a מקום תורה where the קול התורה reverberates throughout the day and into the late evening hours, seven days a week. Torah comes to life within the walls of the Beis Hamedrash as the אברכי הכולל analyse, discuss, clarify and review the sugyos enabling their תורה to refine, elevate, inspire and penetrate their lives.

The Kollel has been influential in the transformation of Edgware, NW London & beyond. Many Avrechim, upon leaving the Kollel, go on to hold positions in Mosdois HaTorah, as Rabbonim in communities, Marbitzei Torah in Kollelim and Yeshivos & teachers of Torah in numerous schools.
