**Bring out the best this Pesach,
with the finest wines
by Tura Winery.**

What a better way is there to rejoice this Pesach than with some of the finest Israeli wines from Tura Winery - a family-run "Estate Winery", with high-altitude vineyards planted around Bracha community in the Shomron.

Tura wines - full-bodied and bursting with fruit flavors - are produced with much love, patience and inspiration, which are the winery's trademark. It is no surprise that they have won numerous prizes at main wine competitions in Israel and around the world. Enhance your Seder experience with Tura wines, and have a joyous and meaningful Pesach.

A Three-Fold Shabbos Blessing

How much hassle and preparation do you devote to welcoming the Shabbos Queen? How much energy do you invest in her honour, cooking, baking, cleaning and brightening the house?

Recent developments in much-needed Shabbos utensils, have seen a trio of revolutionary patents, which will transform the Shabbos atmosphere and allow you to enjoy it with its due honour, safety and tranquility.

You are invited to familiarize yourself with three innovative products that have received the approval of the "Tzomet" Institute, which we are sure will change your Shabbos from beginning to end.

Hot Water Urns

A hot water container at home is an opportunity for disaster. Every Shabbos, children are sadly harmed from boiling water, either in the kettle or from water that spills out. We have developed an exclusive kettle, produced with innovative technology that ensures us all that we will enjoy effective use and significant peace of mind.

The kettle includes six safety and protection mechanisms that provide an absolute solution to all the problems that may arise and are painfully familiar to us.

The Shabbos kettles frequently found on the market are made of a thin stainless-steel layer and any touching of them may end in a stinging burn.

With this model, there is a unique locking faucet, ensuring that a child cannot press the water at all. In addition, the dual locking mechanism ensures that the lid does not open, even if it falls from the hash.

Apart from all the benefits, the heater ensures easy and friendly use. It automatically switches from boiling mode to Shabbos mode, without hand contact.

In the urn is a Mehadrin hard plastic window, which protects the button from children and reminds us that it is Shabbos. The product is innovatively designed, manufactured from 95% stainless steel and does not require tevillah prior to usage.

Hot Plates

The second piece of good news is an innovative, safe electrical heating plate made of non-absorbent glass. The hot plate allows use of both meat and milk separately, after cleaning the surface between each use. Besides, according to the ruling of the Shulchan Aruch (and Sephardi custom) it can also be used on Pesach.

Another advantage offered by the hotplate is its ease of cleaning. Every Motzoel Shabbos, after using other hot plates, they must be soaped with strong cleansers, which are absorbed into it and emitted in the following use. This new hotplate needs only a light clean, and everything is as shiny as new.

There are other advantages of this innovation. It's beautiful and elegant, integrated with LED front lighting, and very economical for constant power consumption.

Shabbos Covers

Now that we've met the safe water and the hot plate, care must be taken to use a respectable cover that stands on top of the pots and respects Shabbos. Our third piece of equipment that will enhance your Shabbos is spectacularly designed cover, the top of which is leather-like, beautiful and easy to clean.

Behind each development maximum thought and strategy are used and thousands of customers from all sectors have already discovered that it is possible to enjoy a special day of rest, full of pleasure and tranquility, and free of unnecessary risks and stress.

A man with dark hair and a light beard is wearing a dark blue suit jacket over a blue and white striped shirt and a dark blue tie with white polka dots. A blue and white patterned pocket square is visible in his jacket. He is looking directly at the camera with a slight smile. The background is a blurred outdoor setting with a stone wall and some foliage.

Toyota Estima 2006 only 54k miles
amazing condition £6200

We have a website where you can see photos of condition in auction, you are welcome to view vehicle on arrival, share Japanese docs proving mileage and condition, VAT registered, find us on Google and see our amazing reviews. We take payment card, arrange finance and warranty. **We don't touch anything with engine issues, damage history, and fake miles!!**

87k km, no pet, good engine, no damage history!!

Vehicle notes: Original alloy wheels, power steering, Nav, air bag, push start, Grade 4, interior C, rear spoiler faded, bonnet paint fading, front bumper scrape, marks as per map.

WARNING

We have heard many reports of other dealers (not from the community) claiming they supply VIP Motors. Since we started importing our own vehicles 1.5 years ago

WE DO NOT TOUCH VEHICLES OF ANY OTHER IMPORTER!

Don't buy from anyone that can't (doesn't want) to show you original paperwork on a live Japan auction website (printed out spec sheets are easy to change, and NO, a BIMTA certificate is not good enough!!)

כח הרשאה

אני החתום מטה נותן כח הרשאה להרב אהרן דוד הלוי דונר למכור את כל החמץ הנמצא ברשותי, והיינו בין חמץ גמור בין תערובות חמץ בין חמץ נוקשה ובין ספק חמץ, ואפי' דבר שיש בו רק חשש חמץ, כל מיני קמח כל מיני סולת כל מיני שפיריטס כל מיני שכר כל מיני אפיה וכל מיני מרקחת, קיצור הדבר כל דבר שהוא חמץ או חשש חמץ או רק חשש תערובת חמץ או חשש חמץ נוקשה, על הכל אני נותן כח הרשאה להרב הנ"ל למכור כרצונו, ויהי' פיו כפי וידו כידי ועשייתו כעשייתי, גם יש להרב הנ"ל רשות למנות שליח אחר במקומו ויהיו כל מעשיו קיימים, ולא אוכל לומר לו או לשליחו לתקוני שדרתיך ולא לעוותי. גם נותן אני רשות להרב הנ"ל או לשליחו להשכיר את כל המקומות אשר מונחים בהם החמוצים, ויהי' להשוכר הזכות לדרוש מאיתי המפתחות בכל עת שירצה, ואהי' מחויב לתת לו המפתח בלי שום עיכוב, רק אני מניח לעצמי רשות לדריסת הרגל בכל אלה המקומות אם יהי' איזה צורך לי ולבני ביתי. ואף על פי שאני פורט כמה דברים למטה שהם חמץ, וגם אני פורט כמה מקומות שהחמץ מונח שם, אני מתנה בפירוש שאני כולל בהמכירה כל דבר שיש בו חמץ או אפי' רק חשש חמץ אע"פ שאינו מוזכר למטה, גם אני כולל בההשכרה המקומות שלא הזכרתי למטה. וגם אם לא פרטי שום דבר לצורך המכירה וגם לא הזכרתי שום מקום להשכירו, אם רק חתמתי שטר זה ליתן כח הרשאה להרב הנ"ל או לשלוחו, או אם שליח שלי חתם השטר, הרי הרשות נתונה להרב הנ"ל לעשות עם כל חמץ שלי ועם כל המקומות שמונחים בהם החמוצים ככל אשר ימצא לנכון. ויש להרב הנ"ל או לשלוחו לעשות שטר מכירה וגם לעשות כל קנין שימצא לנכון הכל לרצונו, וגם יש להם רשות לסדר הדברים שיהי' להם קיום בדיניהם, דהיינו לעשות שטר המועיל בדיניהם ולהדביק סטעמפעל הכל כרצונם. ושטר זה לא יופסל ולא יוגרע כחו בשום ענין, וגם אם יבוטל דבר אחד אין בזה ביטול לשאר דברים המוזכרים בשטר זה, ובכלל אין שום דבר המוזכר בשטר זה תלוי זה בזה. וכל זה דלא כאסמכתא ודלא כטופסי דשטרי וכמי שנעשה בבית דין חשוב ועל זה באתי על החתום בחודש ניסן לפני חג הפסח שנת תשפ"א לפ"ק פה לונדון יצ"ו

זמני פסח

לשנת תשפ"א לונדון

IMPORTANT! CUT AND KEEP

As the summer clock comes in this year on the night of the 1st SEDER night,

some people will change their clocks on Friday Erev SHABBOS, and some on MOITZEI Yom Tov, as well as AUTO clocks. So in order to avoid confusion please note all timings:

היות שבשנה זו מחלפים במדינתנו הזמנים מזמני חורף לקיץ בליל א' דחג הפסח

והיות שיש אנשים שמחלפים כבר בעש"ק וזמנים ונמו"כ יש אנשים שמוזכרים שמוצאי יו"ט הראשון, על כן מהנכון לפרסם הזמנים בשני סוגים

SUPPORT HUNDREDS
OF FAMILIES MAKE THEIR YOM TOV

THE CRISIS IN ERETZ YISROEL

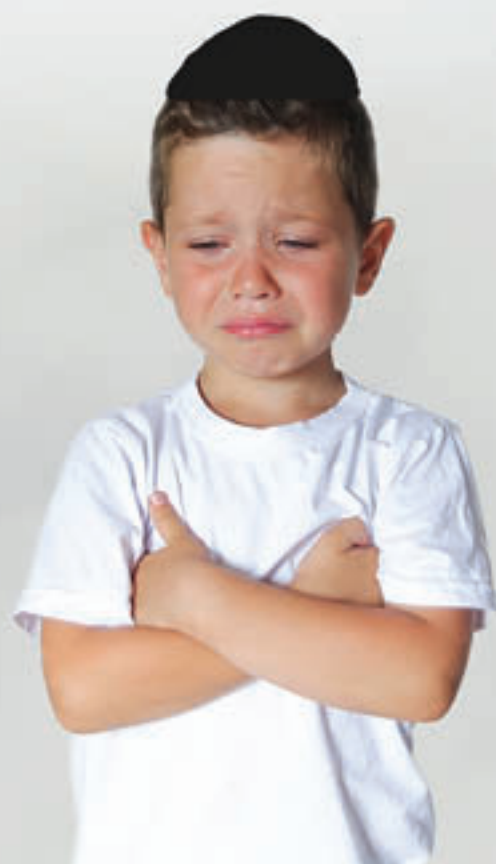

A father with his eight young orphans (from six to sixteen years old) have a court order to be « evicted by next week ». Twenty five thousand Shekel rental must be paid by Monday.

In the UK, under the COVID regulation, you cannot evict!

In Eretz Yisroel, no consideration.

A family with eleven kids threatened by the electricity board (Chevrat Cheshmal) to be sitting in darkness over Pesach as owing eight and half thousand Shekel

In the UK there is reductions, and COVID consideration, **in Eretz Yisroel, power cut! No mercy!**

Family Cohen had their water supply totally stopped as they are owing three thousand and six hundred Shekel. Disability is of no consideration.

« My children refusing to go to school as their shoes are torn and clothing tattered. I have been out of work the entire year due to the lockdown, I don't even have twenty Shekel to buy bread and milk let alone shoes and dresses. »

Dear good hearted friends, sounds like pre-war Europe stories, unfortunately these are all live 2021 cases personally known to me, and just samples of the many many heartrending cases of poverty and suffering. Many children go to bed hungry, babies and infants crying all night, as the parents can't afford milk formula.

What about matzos and wine for seder?

Hundred of children haven't seen fish or chicken for months.

Together let's feel comfortable when we say

**« Kol Dichfin Yeisei V'Yechol »,
all that are hungry come and eat.**

CORONAVIRUS EMERGENCY

APPEAL

£120 for a food parcel for an average family.

£180 for a food parcel for a large family.

£250 to include some extra necessities.

£360 to outfit a family.

£500 to prevent a family from sitting in darkness on Pesach (money will be sent directly to the Chevrat Cheshmal).

£720 to get family Cohen water supply on.

£1000 will secure the eight orphans to remain in their home for Pesach (the money will be sent directly to the landlord).

Any amount will inject simcha and put a smile on to the hungry children faces.
