To our Honorable Teacher, Crown of the Generation, the Gaon Rav Chaim Kanievsky שליט"א, we have heard in the name of the Rav shitta, that it is a ruling for our time to participate in the elections of the World Zionist Organization in order to protect and to save the sanctity of the Jewish people. We know that this goes against the mesorah from the gedolim of the generation and from their ideologies, and

Now, there are those who raise concerns over the influence of the Jewish community on the previous generations — to distance ourselves from them (the Zorobabab) and to distance ourselves from their values in Zionist institutions.

...to involve ourselves in Zionist institutions.

Therefore, some are sowing doubt — perhaps the Rav did not give such a ruling, or perhaps it related to a specific case.

Since this matter concerns the Jewish people, we seek to clarify the Rav's view. Is it correct that the on [the judgment of] others.

With great respect,
 Yehonatan Kamenetsky

Response:
 ת"ב מנחם ש"ף
 One should act [per the ruling] stated above

"To my dear friends in the USA,

In the upcoming elections, I give my full support and encouragement to Eretz HaKodesh. I know these people, and I follow their activities that create tremendous influence on the future of Yiddishkeit in Eretz Yisroel. Therefore, I ask everyone who can, to vote for Eretz HaKodesh and assist them in bringing kedusha to Eretz Yisroel. This is what Hakadosh Baruch Hu asks of us, to keep Eretz Yisroel kadosh: "And you shall be to Me a kingdom of priests and a holy nation."

Now that elections have been called with the opportunity to elect representatives who will have the authority to decide the future direction of the World Forest Organization, it is a matter of obligation to elect representatives who will have the authority to decide the future direction of the World Forest Organization.

I AM NEVER TRULY ALONE.

undefined design

The loneliness was crushing. Shabbos and Yom Tov felt the worst, I dreaded it and invitations were not always the answer; sometimes seeing what I didn't have was too painful.

Talking it through with someone really helped me. I am never truly alone. There is hope.
