New star in the modest plus size fashion

**Fashionable, comfortable,
high quality fabric and sewing.**
Modesty and plus size do work together!

My Boutique is all about helping plus size that want to keep modesty and elegant look, without compromising beauty, fashion and chic.

The dresses are all made in Israel, the accessories are hand made by artistic jewish women, and each and every item is made from love and consideration.

I am aiming to help as many women as I can around the globe to be modest, elegant, in their special plus size and with the variety that the "normal" sizes have today.

PRIVATE SALE: NO AGENTS

Dear Fellow Parents,

I write this letter after seeing the campaign that the Leaitzminach organisation is currently running.

As a mother of a large family, it is almost impossible for me to help this wonderful moised with money.

I feel that it is still important for me to share my appreciation to Rabbi S. Schreibhand amazing work, so that those who can donate to this worthy cause will understand its value.

My son, who is 14 years old has been having issues keeping up with his classmates, especially through the COVID-19 pandemic. As we cannot afford private tuition we felt at loss of what to do, luckily the Menahel of the Yeshiva sorted out for Rabbi Schreibhand of Leaitzminach to arrange tutoring for our son.

We have been amazed at the professionalism and caring that our son received, it felt like we were paying and yet we didn't pay.

B"H our son is now keeping up with his classmates and has a mentor who cares about him, he has been helped way beyond what we imagined.

My only wish is that I can repay Rabbi Schreibhand for his dedication to this very needed service.

May I continue to give him the kooch he needs to continue in his good work.

To those in the community who can help,

Please share in this much needed cause.

A very appreciative Mother

This was written as my donation towards this wonderful campaign.
