“ Learning the Daf Yomi with R' Eli Stefansky has literally transformed our lives. When you learn with R' Eli, you are part of one big family, known as the MDY (Mercaz Daf Yomi) Family.

Every day R' Eli also gives an 8-Minute Daf review of the daf which helps tremendously. As hakaras haTov to R' Eli, we want others to experience the life-changing effects of learning with R' Eli and that is why we are encouraging new members to join R' Eli's online shiur to receive a FREE Gemara. ”

Pine Needles are the best natural source of Suramin & Shikimic Acid, the main ingredient in Tamiflu or influenza medicine or flu vaccine and are used to prevent blood clots, protect your DNA and RNA, improve circulation and regulate blood pressure. Nature's immune booster and wonderful cure.

BUILD YOUR CHILD'S IMMUNITY AGAINST WINTER AILMENTS

Panto-C™ (liquid) is a potent immune support formula combining pantothenic acid, Vitamin C and elderberry. Pantothenic acid is an essential nutrient that helps your body create blood cells for your immune system to perform vigorously and efficiently. Vitamin C will strengthen those blood cells and protect them against damage. Elderberry as an immune protector will help ease the severity of colds and flu and speed up recovery time.

Take 1 teaspoon of Panto-C twice daily and take 1 ml (28 drops) of Immune Support up to 3 times daily*. Can be mixed with water or juice.

*or as directed by a doctor or specialist

Immune Support™ is a unique kids-focused supplement. It contains echinacea, an immune defender, and Garlic and Olive Leaf Extract and Oregano, which are anti-inflammatory and antioxidant agents that help your child's immune system protect his health.
