I really want to be a good mother, but I'm so stressed – I'm drowning in worries and doubts!

Let's Talk About **Adjustment Disorder**...

When motherhood doesn't match their expectations, many women are seriously impacted by **Adjustment Disorder**.

With no standard definition of the 'perfect' mother or wife, women often aren't sure if what they're experiencing is 'normal'. Such unresolved doubts can result in feeling inadequate and out of control, leading to unbearable stress.

If **your** experience of motherhood doesn't feel normal for **you**, give us a call.

Motherhood can be a joy, so Menucha is here to provide understanding, non-judgmental advice, specialised therapy services, and referrals. If we can help, let's talk.

Hi, I wanted to order a Chocolate Presentation for shabbos, can you tell me how to proceed?

Sure, please can you tell me the occasion it's for and what price range we're looking at and I'll send some sample pics!

For my nephews Bar Mitzvah, I'd like to spend around £50. Do you deliver?

We sure do! If you send me the note and address we'll take care of it all! 😊
