TUSCANINI

La Farina Perfetta

Gently milled in the airy heights of the Dolomites, Tuscanini's 00 flour delivers perfection for silky pastas, delicate pastries, and crispy pizza. The high-gluten blend yields a fluffy challah dough that rises lightly to any occasion. Put it to work and show us how it rose to yours: @TuscaniniFoods

Tuscanini flours are milled in Italy with time-honored techniques for peak perfection. The 00 flour, made from soft wheat, is ideal for pasta, pizza, and pastries thanks to its smooth texture and balanced strength. The high-gluten variety offers more protein for stretchy doughs and a better rise—perfect for challah and artisan breads. White spelt flour is a flavorful, easier-to-digest alternative to wheat, with a naturally sweet, nutty taste that shines in everyday baking.

The background of the advertisement is a photograph of a wig shop. On the left, there is a large, round mirror with a wooden frame, decorated with a garland of white flowers and green leaves. Below the mirror is a purple wig styling chair. The wall is a light beige color. On the right side, the 'Riva WIGS' logo is displayed in a stylized purple font. Below the logo, the text 'QUALITY THAT'S AFFORDABLE' is written in a smaller, sans-serif font. Further down, the phrase 'Ready for a new look?' is written in a large, elegant, brown script font. Below this, there are three lines of text in a smaller, sans-serif font: 'Offering quality wigs without the big price tag!', 'We carry a big selection of lace and non lace wigs!', and 'Up to £2000'. At the bottom right, the text 'Golders Green Location Chavi 07891128997' is written in a sans-serif font. In the center, there is a purple circular badge with white text that says 'NEW! FOR TUNA LOVERS

NOT FOR TUNA EATERS

Does not belong in a tuna salad.

There are many fish in the sea, but none like these on the shelf. The choicest cuts of tuna: deep, buttery, rose-colored, with a complex flavor and silky-smooth texture. This is not meant for a tuna salad, this is for an insalata di tonno.

A FIRST OF ITS KIND

As the first letter of the Hebrew alphabet and also representing the numerical digit one, Aleph can be seen as a symbol of unity, oneness. Echoing this theme, Baron Herzog Aleph holds multiple varieties harmonized into a perfectly balanced, off-dry wine.

Carrying a silky mouthfeel, this California red blend holds notes of cherry, red berries and grenadine.
