Tremendous Wealth in the year 5787- 2027

The words of Posek HaDor Maran HGR' Moshe Sternbuch shlit"a which were said to Kupat Ha'ir

"Being that this year the gematria of the year תשפ"ז is 'an extraordinarily wealthy person'- ashear muflag b'me'od and it is a sign from Shamayim, therefore we are blessing all those who donate to Kupat Ha'ir the sum of תשפ"ז, each country according to its currency

That in the zechus of the tzedakah to Kupat Ha'ir which is the numerical equivalent of תשפ"ז, they should merit extraordinary wealth during the entire year of תשפ"ז

And we trust in the words of the Shulchan Aruch, that tzedakah enriches, and HaKadosh Baruch Hu will send them great wealth in the year תשפ"ז

And indeed one should pay attention to the holy words of our master the Chasam Sofer, who wrote that this applies to being a sandak, and his words also apply to the peak in the Shulchan Aruch about tzedakah. Nevertheless we have seen many who have merited to perform this mitzvah and they were not chosen. This does not contradict the beracha of מ"ק since maybe sin was the cause and someone who did not merit this mitzvah who was meant to be plagued by suffering and now that he merited wealth through this mitzvah, his wealth was taken from him as a substitute for physical suffering.

HEALTH & MEDICATION ISSUES REGARDING FASTING ON YOM KIPPUR

A COMMUNITY SERVICE ANNOUNCEMENT

For anyone on medications which cannot be missed, fasting on Yom Kippur can present major problems. Can I miss my medications for one day? Can I take additional medications before the fast and/or after the fast to make up for medications not taken on the fast? If I must take medications, can I take them without food or liquids? What if my tablets can only be taken with food? Is there a substitute medication? Alternatively, I have medical issues that make fasting a problem, including pregnancy-related complications. What do I do on Yom Kippur?

To help the general public solve these problems, North Hendon Synagogue, is, once again, setting up a consultation session
