They are the kind of issues that don't belong in newspaper advertising, but which we all recognise need a forum for discussion and learning guided by religious authorities and women's health professionals.

Rabbi

שומר ישראל שמור שארית ישראל

I'd like to believe that the highest priority for every parent is the safety of their children. This is alef beis. So why are so many children allowed out on bikes and powerful scooters without adequate safety precautions like lights and helmets?

Rabbi
Sulzbacher

As mechanchim we are responsible not just for the ruchnios of our precious talmidim, but also their physical wellbeing. No boy may cycle to school without protective headgear and lights.

Whats the matter
you ok???

IN SHOCK!

🙏🙏 is the kid okay
Want me to call Hatzola?

No Not really...!! I was driving up
Golders Green Rd going to mariv
a kid shot out of highfield Rd on
his bike **no lights no helmet!!**
I did not even see him.
I crashed straight in to him!!

Oy vey!!!
It is not normal how the kids bike / scooter
without helmets or lights it's sooooo dangerous.
How are parents letting them leave their home
like this???

He is unconscious
They already on the way.
Am davening!!

🙏🙏 Hashem yirachem
This can not continue.
Something needs to be done!!!
Who is going to tell his parents?

You are right it was an accident
waiting to happen!!! How the
kids carelessly ride the
streets so inadequately!!
But why meeeee this has been
my lifes nightmare to crash in
to a precious child!!
I am in shock I am shaking!!
