WHO'S SPEAKING IN YOUR NAME?

Are liberal voices representing you and your values in Israel?

Every day, the WZO allocates your vote - and your voice - to causes that undermine our Torah and halacha:

Funding Reform & Conservative institutions in Israel

Legal attacks on our Torah values

Petitions targeting Charedi support systems

Budget cuts to Charedi schools

Youth programs run by liberal movements

This is happening in your name. **But it doesn't have to.**

▶ **Stand with Eretz HaKodesh. Reclaim your voice and protect our Torah values in Eretz Yisroel.**

Don't be Nervous About Reaching Out

A new 50-minute course from Lily

“Reaching Out to Someone Who’s Struggling”

It needn't be daunting to show concern and offer to help.

This **all-new** course gives advice that answers vital questions:

- What should I do if I encounter someone I think is struggling?
- What signs should I look for?
- What are the best things to say (and not to say) to best help?

A mix of learning and practical exercises, this short yet powerful course provides invaluable tools to make a life-changing difference.

A choice of two dates: **Wed 14th May 1.00pm – 2.00pm**
 Tue 20th May 8.00pm – 9.00pm

Book now at projectlily.org.uk/training

DECLARATION OF PARENTAL RIGHTS AND EDUCATIONAL FREEDOM

To the Department for Education:

I firmly uphold the principle that all parents - regardless of background - have the inalienable right and primary responsibility to guide the moral, religious, and educational upbringing of their children, in accordance with their conscience, values, and cultural or religious beliefs. Any attempt by the state to override this sacred duty constitutes a profound infringement on religious liberty and undermines the very foundations of family life.

If enacted, Clauses 24, 25, and 30 of the Children's Wellbeing and Schools Bill would introduce sweeping powers that are both excessive and deeply intrusive. Yeshivos and other Torah-based institutions would be subjected to burdensome registration, surveillance, and compliance requirements.

The Bill imposes secular standards that are incompatible with our values, disregards the flexible nature of faith-based education, and could ultimately result in school closures and the criminalisation of parents or educators who cannot conform. These measures pose a serious threat to our ability to provide children with an education rooted in our religious convictions and Torah values - a responsibility entrusted to us by Divine command.

As a committed and law-abiding citizen, I deeply respect the institutions and laws of this country, but when legislation threatens the ability of families to raise their children in accordance with their deepest convictions and religion, it calls for principled resistance. I therefore stand alongside thousands of parents across the community in expressing our concern, defending our rights, and upholding the shared values that have shaped Jewish life for generations - values of responsibility, integrity, and freedom of belief.

It is with a heavy heart that I write these words. I ask myself, how have we reached a point where I don't see how, in good conscience, I would be able to comply with such a law? This proposed Bill attacks the very core of who we are - our sense of moral responsibility, our heritage, and our identity as a nation. No law-abiding community can survive without the freedom to pass on its intrinsic values and beliefs to the next generation.

ACT NOW!

Every Signature Counts. Every Voice Matters.

Every Jewish adult bears this responsibility.

This is not a "school matter." It is not for askanim alone. This is about your children. Your grandchildren. Your eternity.

WHAT CAN YOU DO?

SIGN THE DECLARATION OF OPPOSITION.

Under the guidance of Rabbonim, a unified declaration has been prepared.

This declaration expresses, with respect and unity, the deeply held convictions of our community:

- Compliance with such a law is impossible for us — like asking a fish to live outside water. It strikes at the very essence of who we are.
- We can never surrender control of our children's chinuch.
- We cannot remain silent.

LET'S SPELL IT OUT:

- Boys may be taught values that go against Torah, including 'Toiavah' and explicit content.
- Torah time will be cut for secular, ideological studies.
- Home schooling will be state-monitored and inspected.
- Yeshivos could be shut for not following state rules.

SIGN THE DECLARATION TODAY.

בשם ה' נעשה ונצליח

Take your place among the defenders of Torah Chinuch. In a generation tested by silence, it is those who speak who help bring salvation.

Declare your opposition to interference in Jewish education by signing the declaration form via the QR code below:
