Let's Talk...

...About Perinatal Mood Disorders

Motherhood should be a joy. But 1 in 4 women suffer from a perinatal mood disorder. Perinatal means from conception to 18 months post-birth. Mood disorders include anxiety, depression, OCD, and birth trauma.

Those affected feel isolated and reluctant to talk about their experience. That's why Menucha was launched to provide advice, support, and understanding.

If you or someone you know could benefit from Menucha, let's talk.

Legadel is inviting all SENCOs to Lunch, Schmooze And Learn:

The Importance Of The SENCO Role: Fostering Positive Relationships

Also Introducing the LegadelXtra Service

Date: Thursday 25th November

Time: 12:30pm-2:30pm (Lunch included - there will plenty of opportunity for networking)

Speaker: Phil Stock

Managing Director of Invision360, Former Principal Educational Psychologist for a number of London Boroughs including Barnet

Venue: Reich's Banqueting Suite,

9-10 Princes Parade, Golders Green Rd, NW11 9PS

The demands on school SENCOs are significant and have been well documented (e.g. 'National SENCO workforce survey 2020'); the SENCO role is a key position within schools, particularly with regards to the relationships developed with parents and carers of children with SEND. This seminar will focus on how schools / settings can build and sustain positive relationships with their SEND parent /carer community, with the SENCO role central to this approach.

As education practitioners we recognise the uniqueness and individuality of children. Parents, like their children, bring their own individuality to your setting and every parent will bring a unique set of values, beliefs, attitudes, background and circumstances.

The session will aim to address the following:

- Understanding the dynamics of the relationships between parents of SEND within your community and your school.
- Communicating with, involving and supporting your parents / carers.
- Strategies to positively & proactively address difficult and complex meetings, where challenging messages about children's development need to be conveyed.
- Developing supportive approaches that minimise the demand on the SENCO role but maximise the outcomes with regards to building positive parent-school relationships.

BOOKING INFORMATION:

This event is free, however pre-booking is essential due to a designated number of places being available. To book your place Email: EHCPadvisor@legadel.org.uk – Please put ' Booking SENCO Lunch and Schmooze' in the subject of the email. Booking deadline: November 18th

A flock of chickens, including several roosters and hens of various breeds like White Leghorns and Buff Orpingtons, are scattered across a green grassy field. The scene is set at sunrise or sunset, with a warm, golden light illuminating the landscape. In the background, there are rolling hills and a line of trees under a hazy sky.
