Partnership Opportunity

Resilience & wellbeing support for your community

iheart is a well-established charity that has been providing mental wellbeing programmes to children, teens and adults, as well as to schools and organisations in the UK and worldwide, for the past seven years. We have developed a profound and interactive resilience programme which has been life-changing for a great many people.

iheart recently received generous funding to offer more support directly to the local kehilla. We are looking to partner with mosdos and organisations who are interested in providing support to the people they serve.

If you are looking to improve the resilience and wellbeing of your members, please be in touch to see how we can help and work together to create a more resilient future.

“ I enjoy swimming in the sea. I wear a completely tznius swimming dress and tied my bandana under my chin so even in the wind my hair would remain completely covered.

Whist swimming, a large wave came and swept me away.

After much tefillos and effort I was able to swim back to safety.

Thank You Hashem for protecting me. ”

WHY CHOOSE US?

- **Improved self confidence and happiness** we can help turn "I can't" into "I did it!" By completing projects they initially found challenging, students rewire their brains, building confidence and a stronger belief in their abilities.
- **Enhanced social skills;** Students interact in a supportive, non-judgmental environment, helping them feel part of a warm and creative group of friends.
- **Boost in creativity and problem solving** Students are encouraged to think outside the box and try new approaches, strengthening their creative thinking and problem-solving skills.
- **Improved focus and anxiety relief** By paying attention to detail and staying patient as their artwork develops, students experience increased focus and reduced stress

As a student at Chanis Art Studio, I find myself immersed in an environment that nurtures artistic development and growth.

Here, I am not only encouraged to enhance my skills but also to engage in meaningful social interactions. The studio provides an enriching experience where I can explore my creativity and expand my artistic horizons.

We have tried other brokers but came back to Lifepoint as they get it right every time! They are so friendly and helpful, with phones that actually get answered. They will get you what you want, not what is just good for them.

Finally, they always managed to get us the best deal compared to anyone else. I would recommend them to anyone!
